WORD

BASICS, CITATIONS & FIGURES

ICT SOCIETY

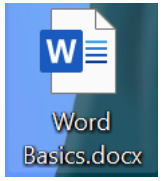

Introduction

- **Microsoft Word** is a word processing program that allows users to create, format, save, print, and share documents.
- It's part of **Microsoft's Office** suite.

ICT SOCIETY

Creating a Microsoft Word Document

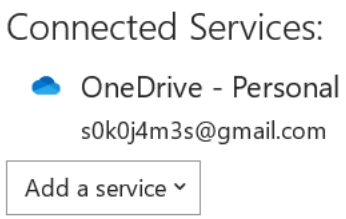

- Right click on your Desktop or your preferred directory (folder).
- Go on **New** → **Microsoft Word Document** → **Enter**
- Double click on **New Microsoft Word Document.docx** and Rename it to Word Basics or any name of your choice.
- Double click on **Word Basics.docx** to **open** the document.

ICT SOCIETY

Linking Microsoft Word To OneDrive

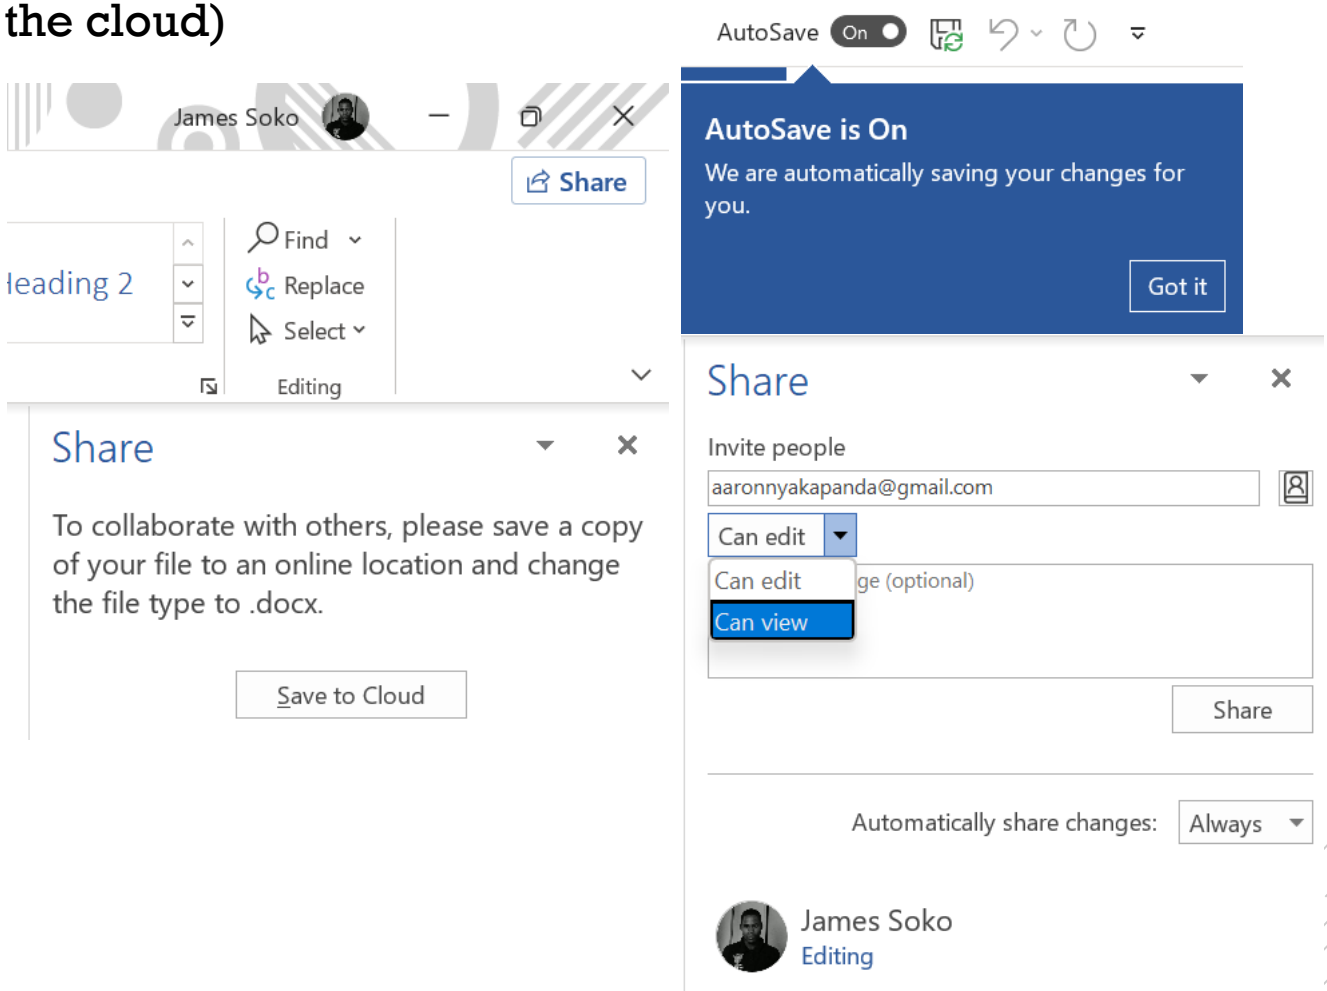

- Click on **File** in the top left corner.
- Select **Account**.
- Under Connected Services, look for **OneDrive**.
- If OneDrive is not linked, click **Add a Service** → **Storage** → **OneDrive** and sign in with your Microsoft account.

ICT SOCIETY

Collaboration

- Click on **Share** (make sure your document is saved on the cloud)

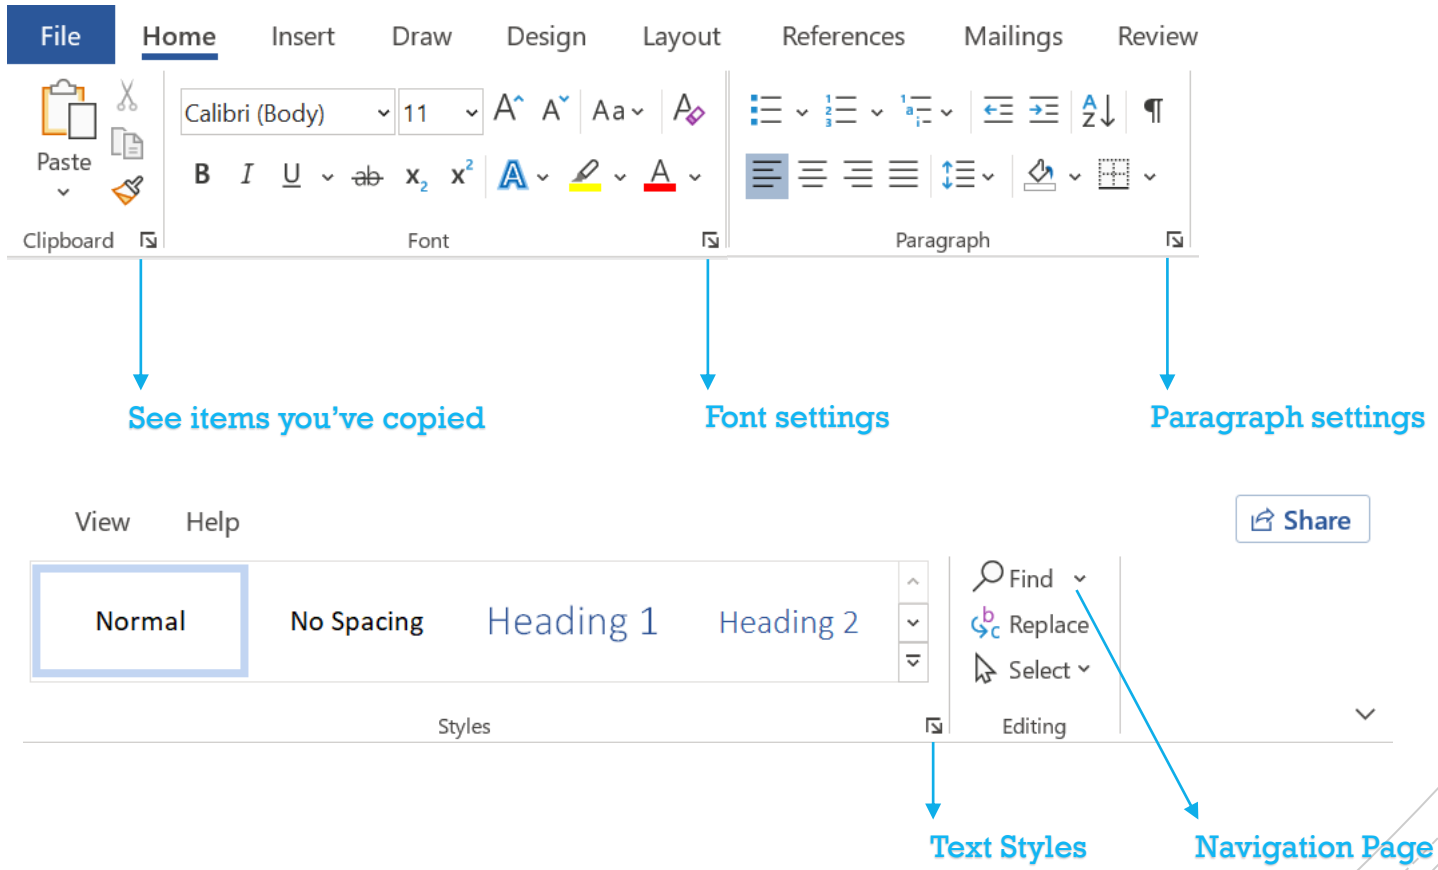

ICT SOCIETY

Real Time Collaboration

- Once your collaborator opens the document, you will see their edits live.
- Changes are automatically saved.
- Use **Comments** under the **Review** tab to discuss edits.

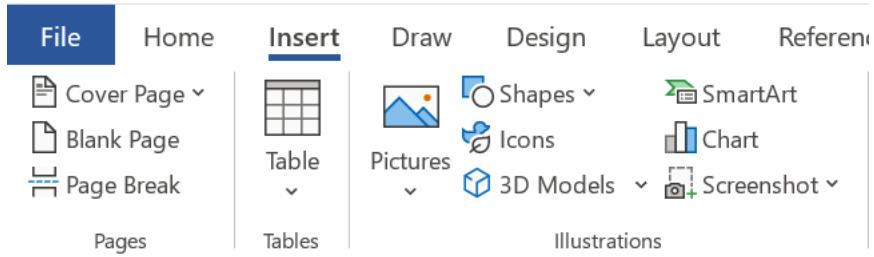

ICT SOCIETY

Assignment

- Discuss the fundamental components of a computer system, including both hardware and software.
- In your discussion, explain the role of each component and how they interact to perform basic computing tasks.
- Provide real-world examples to support your explanation.
- Referencing Style: APA (5 Pages only (Including Cover and Reference (s) page)
- Font size 12
- Spacing 1.5

ICT SOCIETY

Design

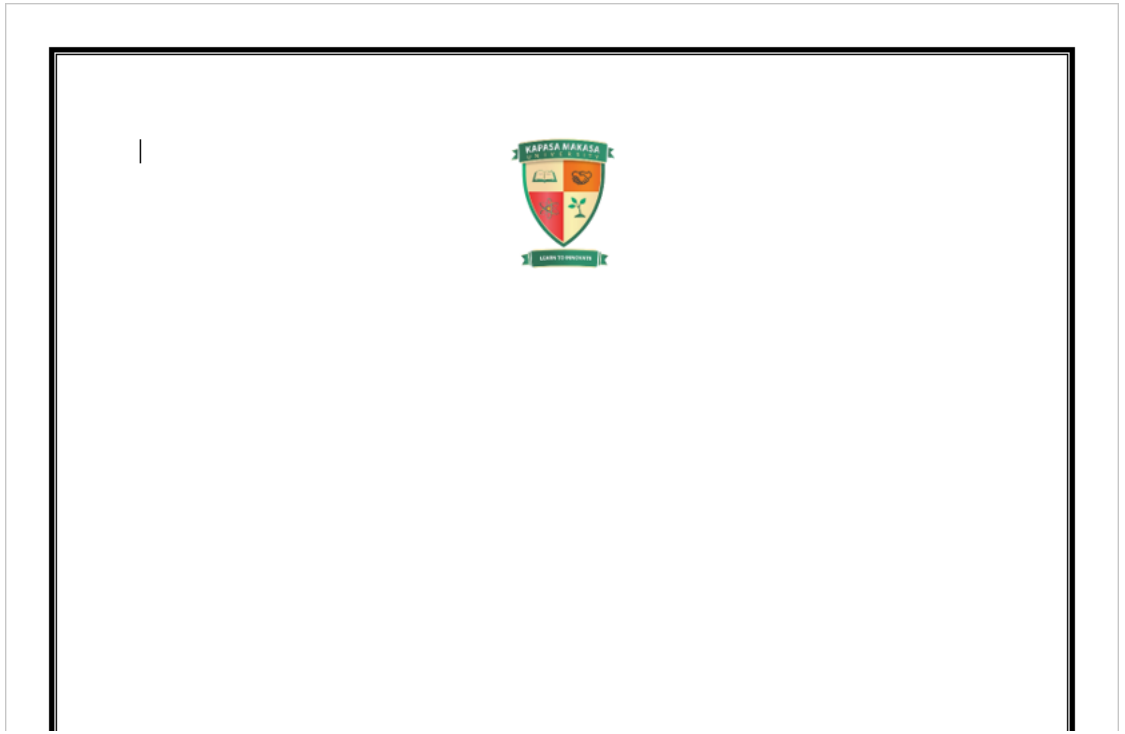

- Go on Design → Page Borders

ICT SOCIETY

Insert | Picture

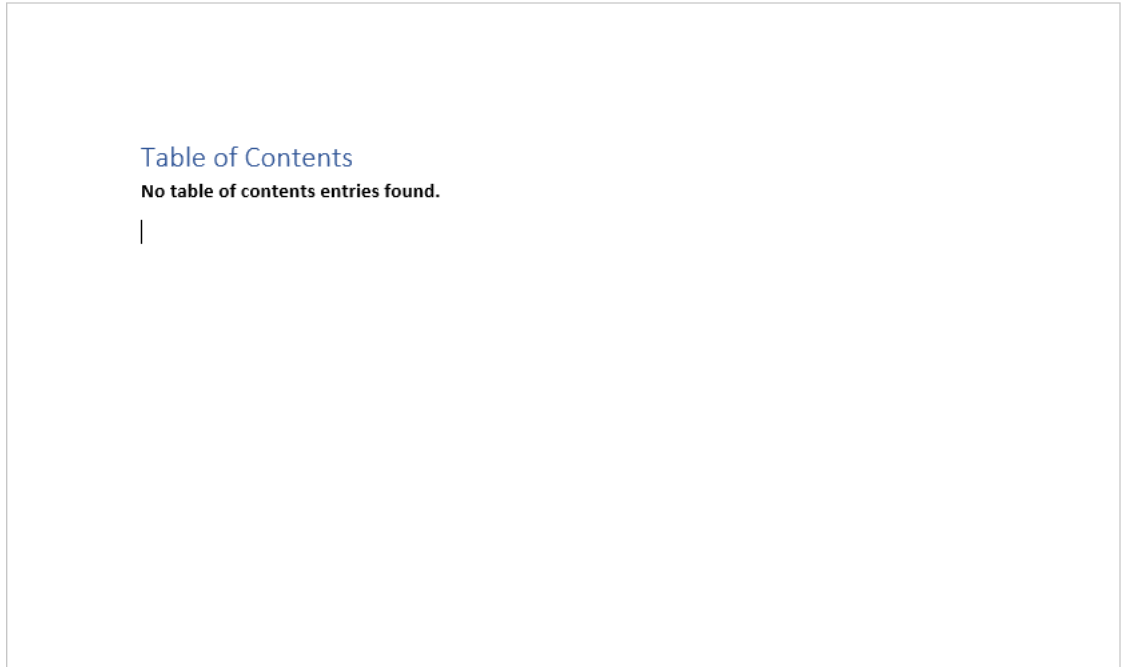

- Go on **Insert → Pictures**
- Go to the folder having your school logo
- Make sure to center the logo

ICT SOCIETY

References | Table of Contents

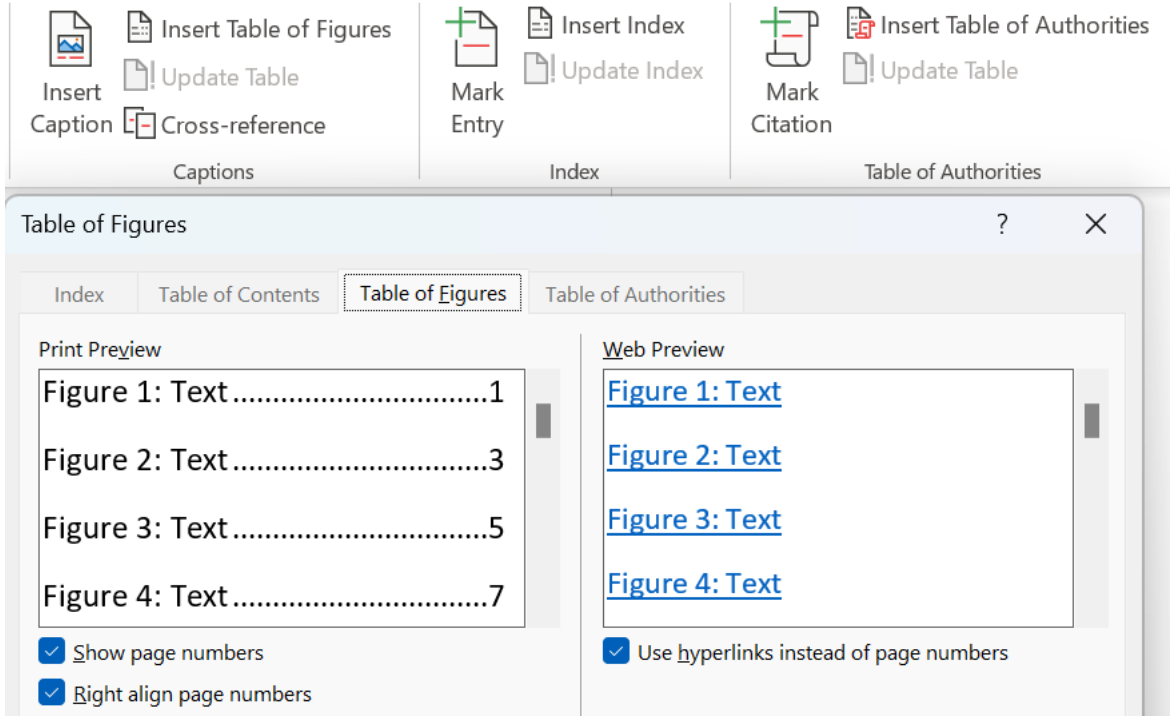

- Go on **Insert → Blank Page**
- Go on **References → Table of Contents → Automatic Table 2**

ICT SOCIETY

References | Table of Figures

- Insert a new Blank Page (3)
- Go on **References → Insert Table of Figures → OK**

No table of figures entries found.

ICT SOCIETY

Home | Headings

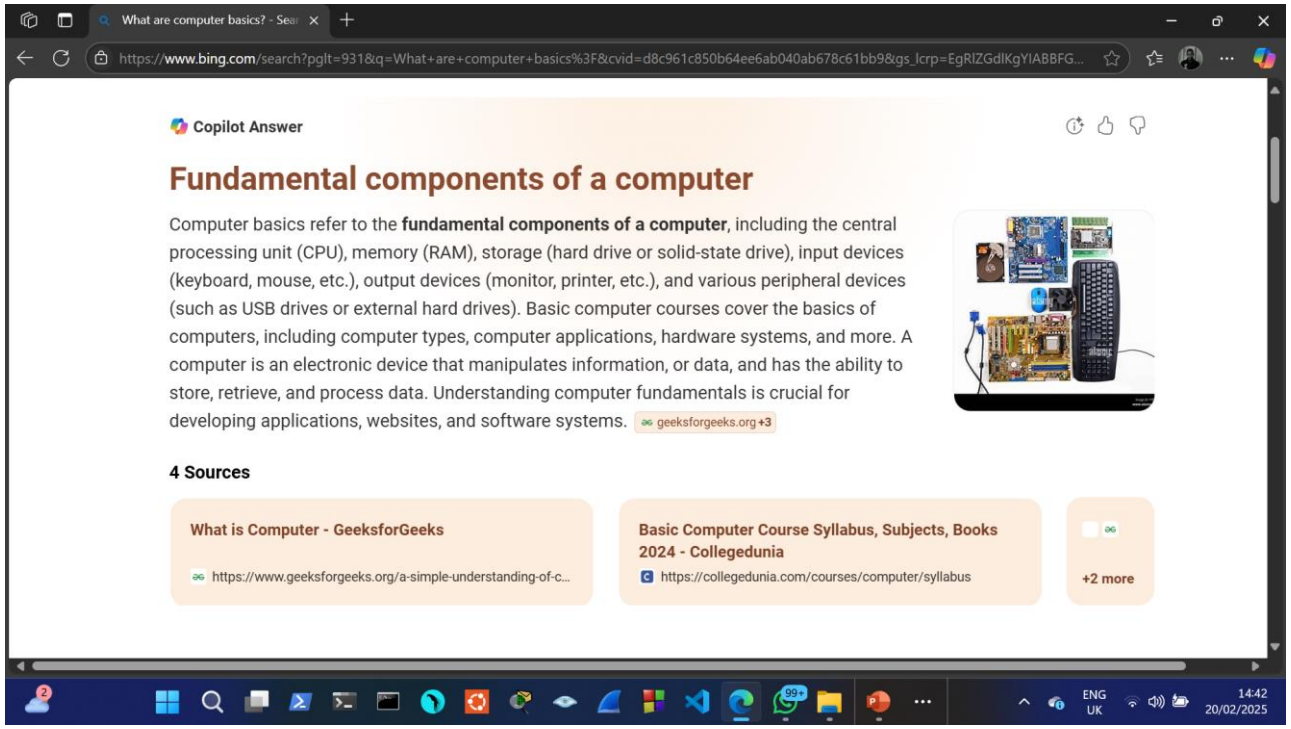

- Insert a new Blank Page (4)
- Go on **Home** → **Styles** → **Heading 1**
- Type Computer Basics
- Change the **Font** to **24**
- **Middle Align** the text
- Make the text **Bold**

ICT SOCIETY

Research

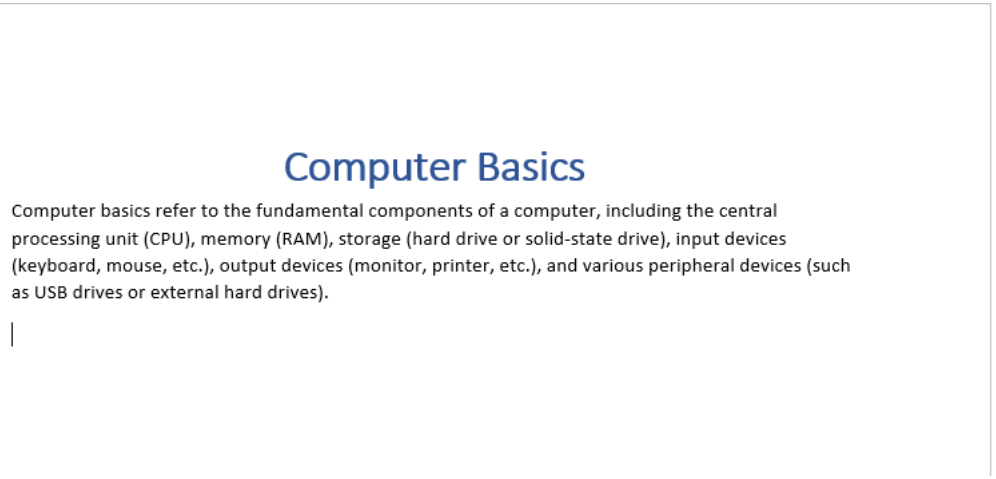

- **Open** your Web Browser (e.g., Microsoft Edge) and start your research on Computer Basics.

ICT SOCIETY

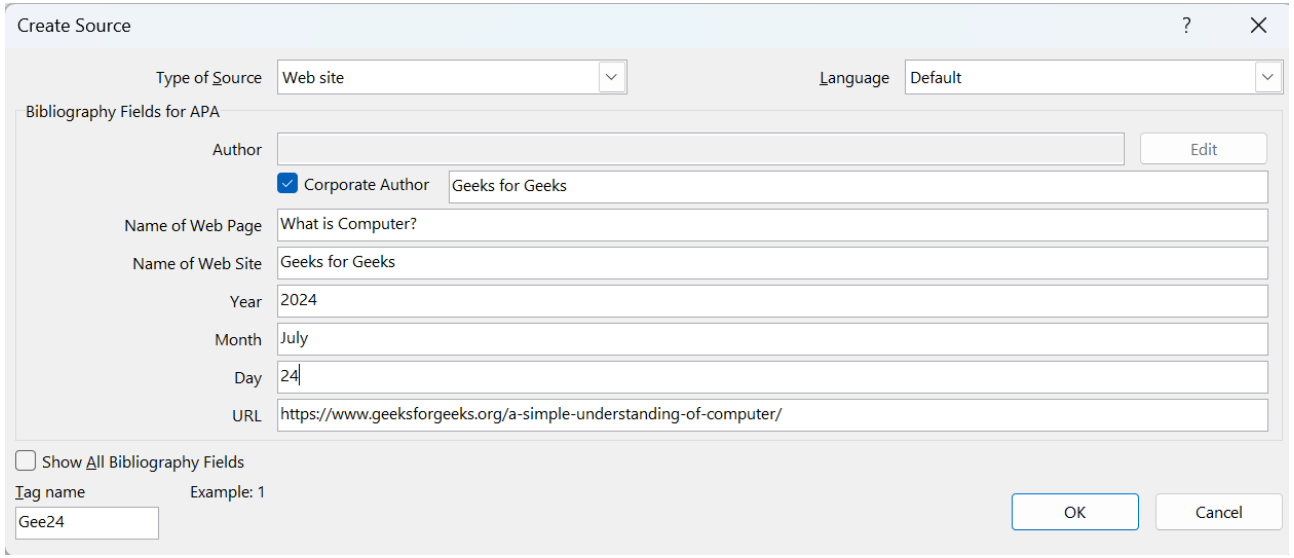

Text

- Highlight the text you want to copy
- **Ctrl + C** to copy the text to your clipboard
- **Ctrl + V** to paste the text on the Word Document

Citation

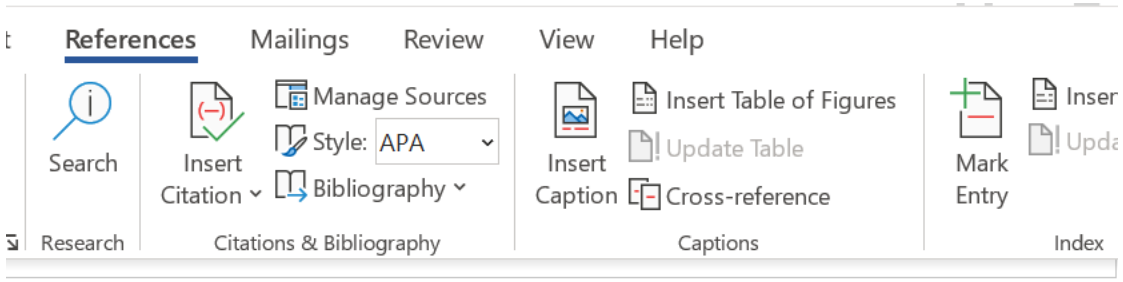

- Visit the URL that contains the information you are using in your work.
- Just before the full stop on the last statement in your document, leave a space then;
- Go on **References → Manage Sources → New…**

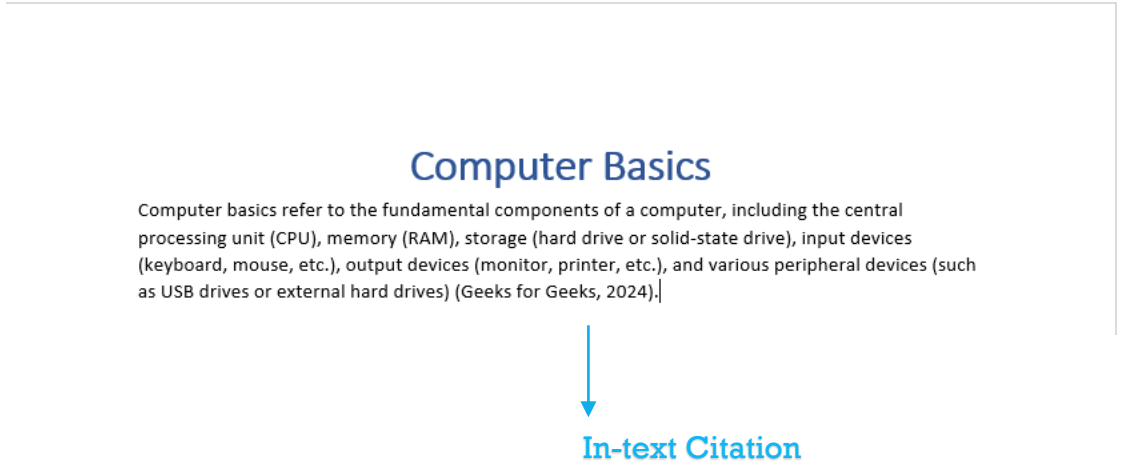

ICT SOCIETY

Citation (Continues…)

- Click on **Insert Citations** and select your citation (e.g., Geeks for Geeks).

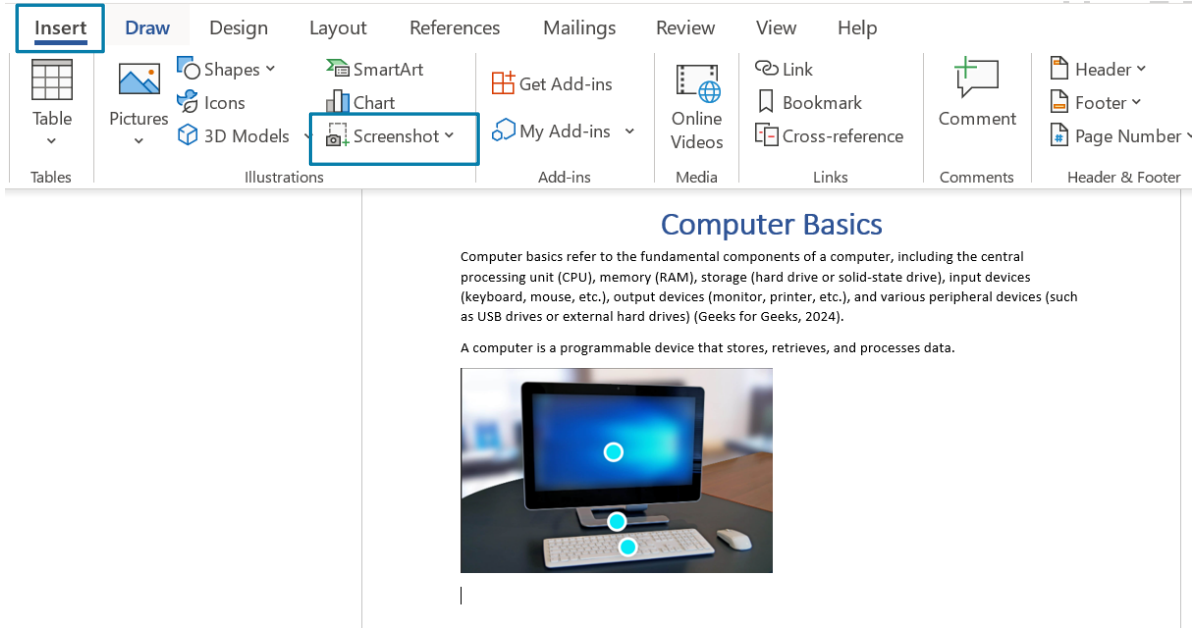

ICT SOCIETY

Insert | Screen Clipping

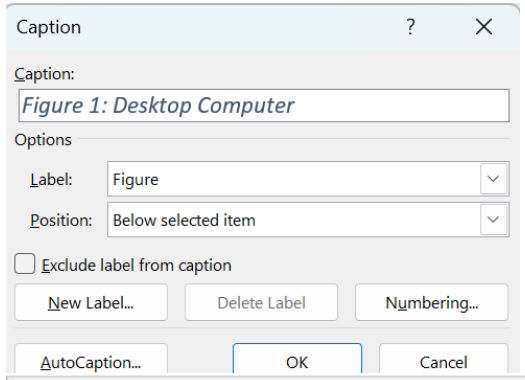

- Continue with your research based on the topic at hand.
- Let's say you want to attach a picture to your document, you don't need to download it online, but;
- Go on **Insert → Screenshot→ Screen Clipping**

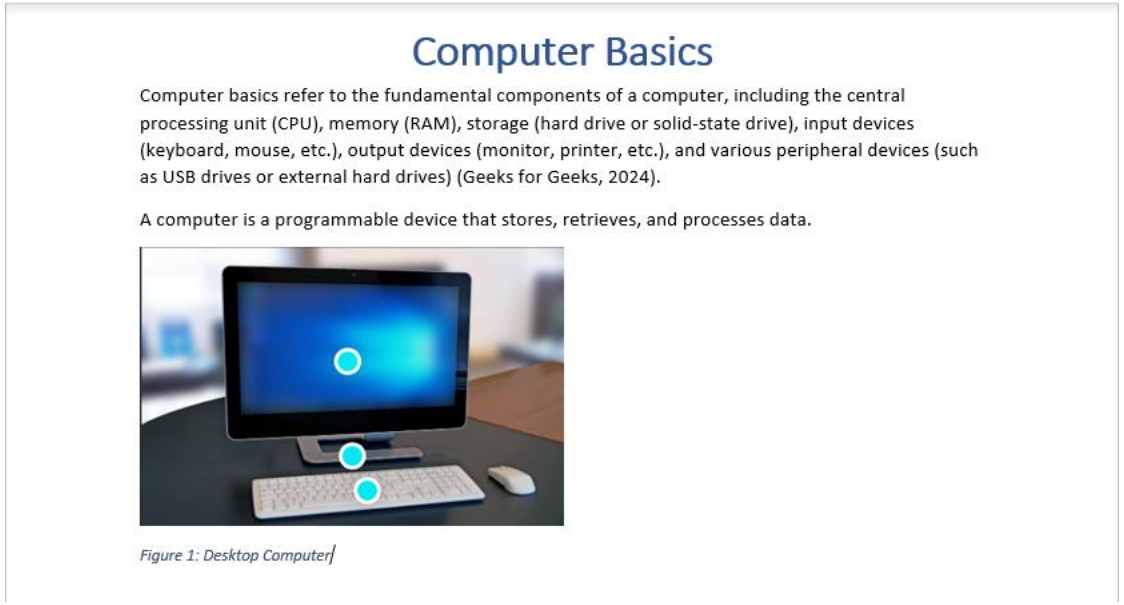

ICT SOCIETY

Captions

- Right click on the **image** → **Insert Captions**

ICT SOCIETY

References

- Insert a new Blank Page (5)
- **References → Bibliography→ References**

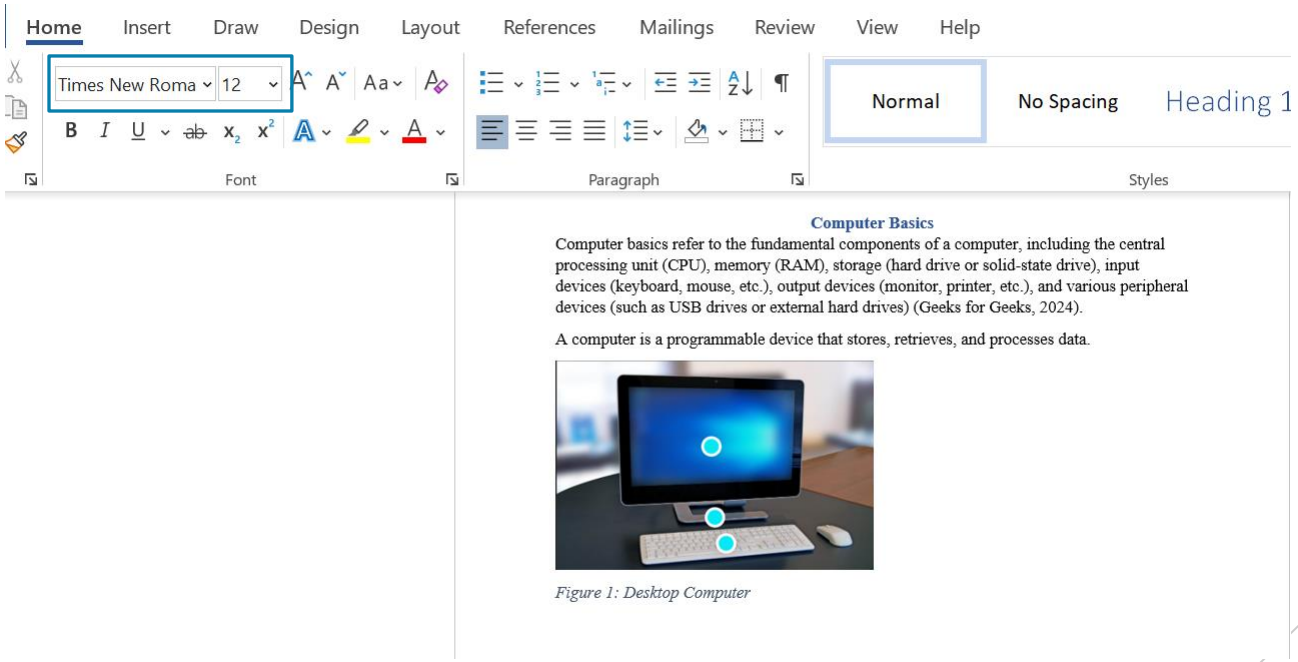

References

ICT SOCIETY

Font

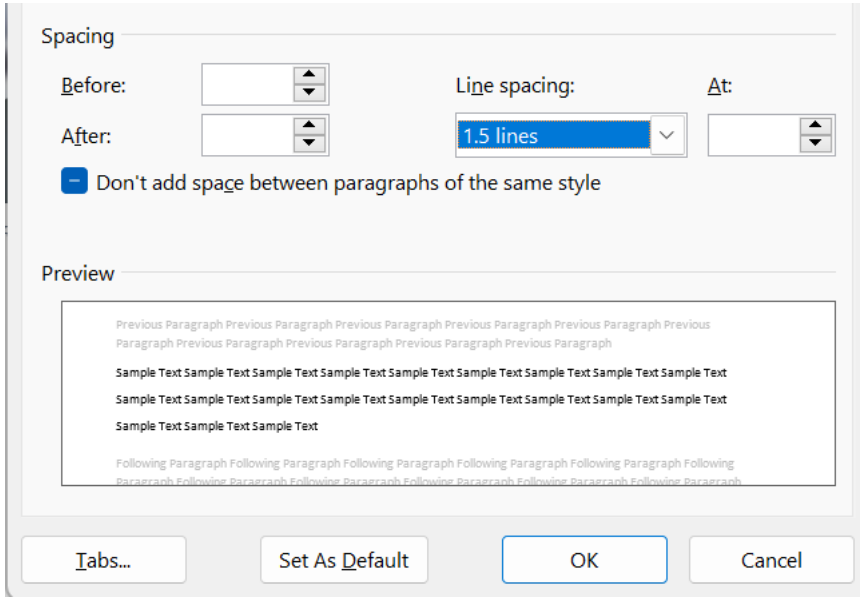

- **Ctrl + A** (Highlight all text)
- Go on Home → Font
- Select **Times New Romans**
- Font **12**

ICT SOCIETY

Line Spacing

- **Ctrl + A** (Highlight all text)
- Right click on the highlighted texts → **Paragraph…**
- Select **Line Spacing 1.5**

ICT SOCIETY

Line Spacing (Continues…)

Computer Basics

Computer basics refer to the fundamental components of a computer, including the central processing unit (CPU), memory (RAM), storage (hard drive or solid-state drive), input devices (keyboard, mouse, etc.), output devices (monitor, printer, etc.), and various peripheral devices (such as USB drives or external hard drives) (Geeks for Geeks, 2024).

A computer is a programmable device that stores, retrieves, and processes data.
